

**Statement of Compliance with Directives 2002/95/EC, 2006/122/EC, 2011/65/EU and 2015/863**

**MAGNETICS**, a Division of Spang & Company, warrants that all products as supplied by MAGNETICS do not contain the Hazardous Substances as described by Directive 2002/95/EC of the European Parliament and of the Council of 27 January 2003 on the Restrictions of the use of the certain Hazardous Substances in Electrical and Electronic Equipment, (RoHS), Directive 2006/122/EC of the European Parliament and of the Council of 12 of December 2006, amending for the 30<sup>th</sup> time Council Directive 76/769/EEC, the RoHS 2 Directive enacted July 2011 and RoHS 3 Directive enacted June 2015 and amending Directive (EU) 2015/863 relating to restrictions on the marketing and use of certain dangerous substances and preparations.

These Hazardous Substances encompass the following items:

- Lead
- Mercury
- Cadmium
- Hexavalent Chromium
- Polybrominated biphenyls, (PBB), or
- Polybrominated diphenyl ethers, (PBDE), including DecaBDE
- Bis (2-ethylhexyl) phthalate (DEHP)
- Butyl benzyl phthalate (BBP)
- Dibutyl phthalate (DBP)
- Diisobutyl phthalate(DIBP)

Products supplied by MAGNETICS are ferrite cores, MPP, Kool Mu, Kool Mu MAX, High Flux, XFLUX 73 and 75 Material powder cores, Strip Wound Tape cores, Strip Wound Bobbin cores, and Specialty Strip Wound cores. All are compliant with RoHS, RoHS II.

MAGNETICS also supplies accessory items, including coilformer bobbins, clips, clamp assemblies, tuning assemblies, washers, mounts and headers. All of these items are compliant with RoHS and RoHS II. In some cases customers have requirements for accessory items that are not compliant with RoHS and RoHS II. In those instances, MAGNETICS provides these parts, if available, as non-standard items, only with documented approval from each customer, for each part, that the non-standard item is accepted by that customer.
