Statement of Compliance with REACH, (Registration, Evaluation, Authorization and Restriction of Chemicals,) Regulation 1907/2006 and Directive 2006/121/EC of the European Parliament.

MAGNETICS, a Division of Spang & Company, will meet all requirements for the REACH Regulation (EC) 1907/2006 and Directive 2006/121/EC of the European Parliament and of the Council of 18 December 2006.

Magnetics supports the overall REACH objective of improving the protection of human health and the environment. We meet all applicable REACH communication requirements according to Articles 7 and 33 and intend to remain compliant in the future.

The initial candidate list of fifteen SVHC, Substances of Very High Concern was published on October 28, 2008 by the ECHA, European Chemicals Agency. From 2010 to 2020, 194 additional substances were added to the list for a total of 209 substances. Magnetics' products as detailed below do not contain these substances. Magnetics continues to work with our suppliers to ensure that all SVHC will be notified to the ECHA, as stipulated by the REACH requirement.

Products supplied by Magnetics include ferrite cores, MPP, Kool Mμ®, Kool Mμ® MAX, Kool Mμ® H*f*, High Flux, Edge, XFLUX® and 75 Material powder cores, Strip Wound toroidal tape cores, and Specialty Strip Wound cores.
